Sid Adams '61
Warwick High School
1958-1959

Sid,
Hi! Mr. Adams,
bet you thought
id never make up
my mind to write in
this ??? book, remember
you still have to write in mine.
Remember the first time you
noticed I was alive? That was a long
time ago - and that creaky old milk truck!
There has been many more times of roller
skating since, bike, now nobody we got Ronnie
and Judy together, date, June 29, mean anything to you?
apart!!! Does the date, well I guess I just have to
I bet you forgot, again. well I guess I just have to
get used to that. I can't wait to go swimming at Mr. Gutman's
again this summer, we had loads of swimming at Mr. Gutman's
She long trip to Bath this summer is another
thing I want you to remember. (Have any idea
why??) you have even made me a traitor
to my good old E. H. S. by not missing a one
football game of yours, even if I only get
there at half-time. I still have one thing to
well we still have one long trip
look forward to - our long trip
to the deer camp tomorrow.
(Probably in the rain.)
So, Mr. Adams,
I am wishing
you lots
of love
and
good
bats
con't.

CLASS OF 1959

WARWICK HIGH SCHOOL

We, the Class of 1959, have passed through both elementary and high school and have reached our greatest esteem as Seniors. We now face with great anticipation that which the future holds for us. Throughout this yearbook we hope to capture and retain our fond memories of Warwick and to share with you some of those very endearing moments.

A Tribute to A Teacher

A teacher is a funny sort of being,
Always hearing, always seeing.
Hearing that whisper from the back,
Sitting on the chair, but removing the tack.

A teacher is Mom and Dad rolled into one,
Intellectual, but he can be fun.
When we are six, parents' job may be done,
But bless the teacher, his is just begun.

A teacher is a pastor, always preaching
About lazy boys and giddy girls screeching,
His brain, a mass of profound ridges,
Helps us cross educational bridges.

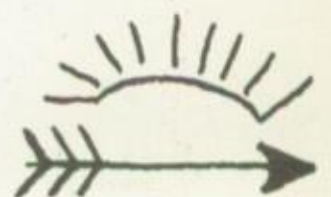

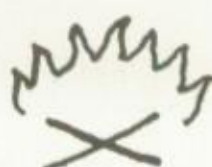

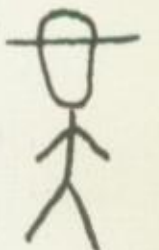

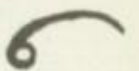

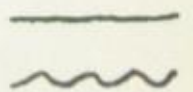

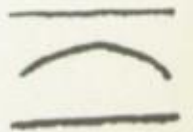

A teacher is a judge showing wrong from right,
His heart may melt, but his mouth speaks might.
To us he seems mean and sometimes unfair,
But an answer to his actions is always there.

A teacher is a doctor, always an aid,
He's well fed, but underpaid.
For putting up with kids like us,
He ought to get a million plus!

A teacher is a laborer, working hard,
A gardener, cleaning up the yard.
He has helped make us what we are,
He is our light, our guiding star.

A teacher's not just a teacher to me,
A teacher is faith, love, and liberty.
Teachers are not just givers of education,
They are the hand and hearts of our nation.

History at Litz

It's certain that we'll never forget when our class of '59 first entered the portals of education at the Litz Elementary School.

As we climbed the ladder of education, we soon found ourselves in third grade, taking our first class trip - a hike to Kay Burkholder's farm, with Miss Gilbert as Drill Instructor.

Our music teachers put forth their best efforts to get us to sing like little cherubs in our spring and Christmas musicals.

Along came seventh grade and we became "wheels" because we could walk around the halls between classes. With this came the daily trips to "Mac's" during Mr. Roehm's classes to purchase our foodstuffs for the next few classes.

After electing our courses of study in ninth grade and presenting our first social event, the Autumn Whirl, we joined our neighbors from Rothville in our new school at the beginning of the tenth grade.

History at Rothville

Think back to that first fateful day when we met our first grade teacher, Miss Leaman. During our first year we all became acquainted with school and each other.

We all remember our trip in fourth grade when we received popsicles at the Kinsupreme Dairy in Lancaster and chocolate bars at the Hershey Chocolate factory.

Who could forget our doggie roast in fifth grade when Mr. Coulson tried to show us the constellations?

During eighth grade we all felt pretty big when we visited many historical landmarks in Philadelphia.

We completed our school years at Rothville as freshmen. This is the year we all felt pretty silly when we had to praise the seniors at initiation.

Our High School Years

As we entered the new school in our sophomore year, we all met many new faces and made many new friends. We all remember Jamaican Holiday, our first dance. This was the year we cheered our basketball team on to the County Championships.

In our junior year we presented "Father Knows Best," our play, which helped our treasury greatly. One of the most interesting trips we made was to Egypt on an Egyptian Caravan, our dance, where we saw mummies and Egyptian dancing girls. The last outstanding event of this year was our Prom, Rendezvous of the Stars, held at the Steven's House.

The most memorable year of all was our senior year. "Come Out of Your Coma" was our very successful senior play. May 8, we held our memorable senior cabaret. Will we ever forget our wonderful dinner and dance the juniors gave us at the Iris Club? We were all excited on our trip to New York where we saw many interesting things. Then the day finally came when we walked down the aisle to receive our diplomas.

"If God be for us,

CLASS POEM

by John Henry Doster

On leaving Warwick High School
We the Class of Fifty-Nine,
Will always keep the memories of
Its splendor grand and fine.
The past few years we've spent here
Were full of fun, and gay,
And now we've finally reached our goal
Our Graduation Day.
This life short lived that passed so fast,
The people we have met,
The proms, the plays, and classroom life,
Are things we'll n'er forget.
As into God's big world we go
Alone to face the test,
We humbly seek his guiding hand
That we may do our best.

Our 1958 Warwick High football team coached by Mr. Bernard Rider, Mr. Dean Miller, and Mr. Elwood Reese, compiled an identical record to that of the 1957 team, in that they won three, lost six, and tied one game.

Throughout the entire season, the co-captains, Ned Partridge and Dick Foltz, led the football team in spirit and also in scoring.

The best, hardest played football game all season was the Ephrata game. Even though we were not victorious, we led for three quarters and with a few breaks the tide could have easily turned.

There were only five seniors on the 1958 football team, which, we feel indicates there is a great deal of excitement in store for the fans in the 1959 season.

Good luck to the coaches and players for a successful football season.

The 1958 Warwick High School junior high school football team, coached by Mr. Stanley Schoenberger and Mr. Richard Pohner, finished their season with a record of three wins and two losses.

The team had a rather difficult start because they lost their first two games; however, the fellows came back strong to win their final three games.

This opportunity for boys to play football in junior high school, we feel certain, will prove beneficial to the varsity team in a very few years.

Best wishes to Mr. Schoenberger and Mr. Pohner, but most of all to the players, for another successful season in 1959.

The Warwick High School varsity girls' field hockey team, co-coached by Miss Johanne Smith and Miss Joan Riehl, finished their 1958 season under 500 for the first time in several years. The girls compiled a record of one win, six losses, and one tie.

The squad was co-captained by Nina Stroble and Janie Krushinski. Our varsity team lost only five senior girls, which indicates this was a rebuilding year.

We feel certain that the girls will have a successful season with so many experienced players returning to the 1959 squad.

Best of luck in the fall, girls!

Our Warwick High School junior varsity girls' field hockey team finished the 1958 season with a record of four wins, three losses, and one tie.

Several of the J.V. players are hopeful candidates for the varsity squad in the fall. With the addition of these players the girls should have a successful '59 season.

Our Warwick High School cagers, co-coached by Mr. Dean Miller and Mr. LeRoy Trupe, finished the season in second place in their league with a record of ten wins and two losses. The two league losses were at the hands of Lampeter-Strasburg, who went to the Lancaster County Championship undefeated only to lose to Columbia 46-45. The Warriors' over-all record was twelve wins and six losses.

This year's squad was captained by Ned Partridge and was led in scoring by George Male with a 12.6 shooting average.

The Warriors of next year have a lot of potential in that they only lost three seniors. This experience will prove helpful throughout the coming season.

Here's wishing the team and co-coaches success in the coming season.

Our Warwick High School Wrestlers, coached by Mr. Elwood Reese, finished their season with a very impressive record by winning four matches and losing six matches.

This is only the second year for wrestling here at Warwick and we feel that the coach and the fellows should be complimented for their excellent showing during the past season.

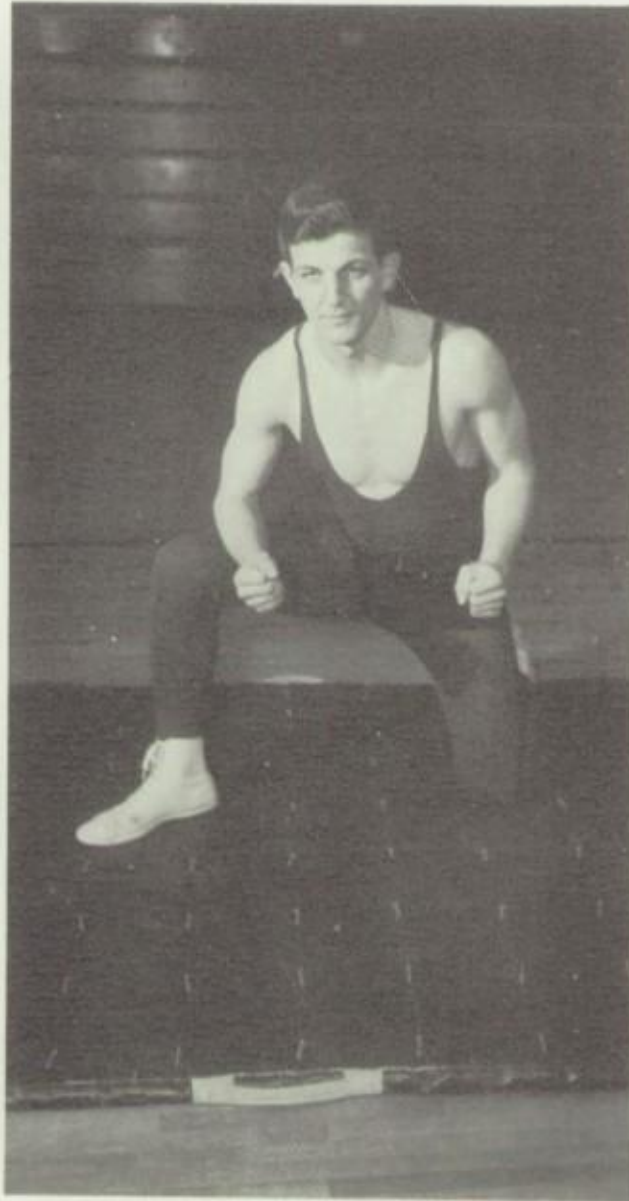

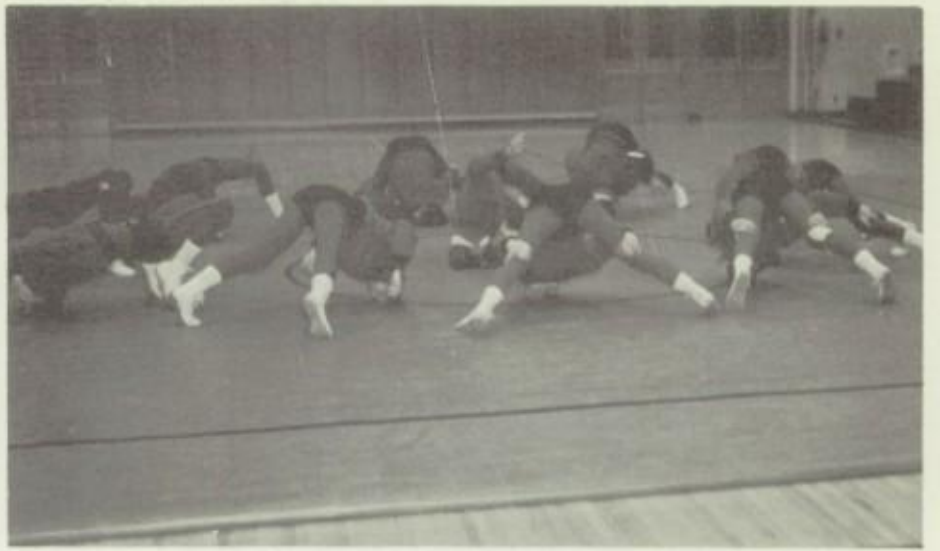

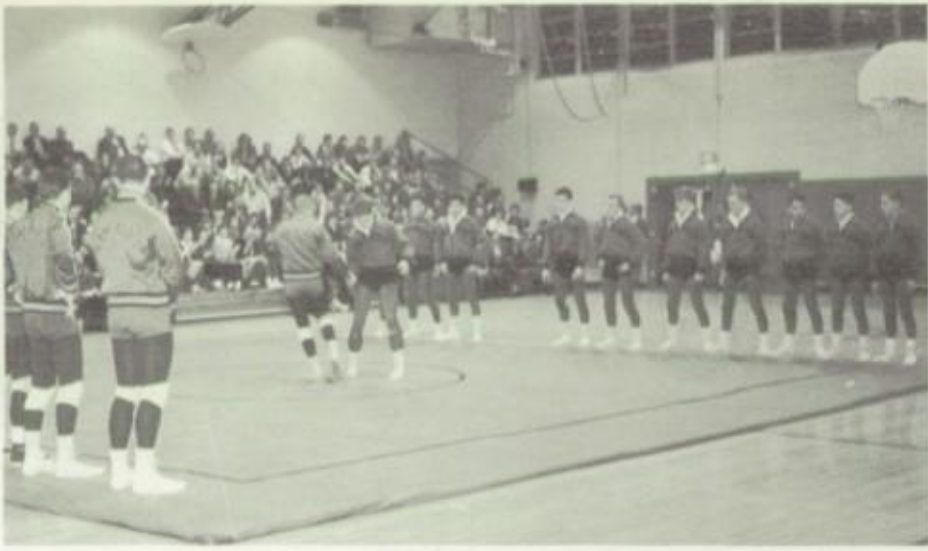

Fred Reubman, who wrestled in the 154 lb. class, is the only senior the squad will lose. They should have a terrific season in 1960.

Good luck to the individual wrestlers and also to coach Reese for a successful season in '60.

The 1959 girls' tennis program was an intramural rather than a varsity one. Under this system more girls had an opportunity to participate. Monday, Wednesday and Friday were designated as challenge days, and Tuesday and Thursday were devoted to practice and instruction under the guidance of Coach Johanne Smith. A ladder system was set up, whereby each girl had the opportunity to challenge the girl ahead of her, thus working her way either up or down the ladder. Indications were strong that the top five rungs of the ladder would be occupied by Irma Martin, Gloria Engle, Martha Gundrum, Linda Herr, and Phyllis Hall. At the time of the book's publication, the ladder stood as follows:

Mary Jane Good
Sandy Mundorf
Irma Martin
Gerry Myers
Gloria Engle
Martha Gundrum
Linda Herr
Phyllis Hall
Cheryl Willis
Peggy Neidigh
